IMPORTANT

Conference expenses will be partially covered by contributions from USV, UPIC in Chișinău, and sponsors EGGER Rădăuți and AQUA Carpatica.

Conference participants will pay 500 lei upon registration. This amount will cover all expenses during the event (direct access to presentations and participation in discussions, a folder for each paper presented, meals, and lodging), including the fieldwork session on Saturday, October 3, 2026. The conference sessions and the hands-on workshop are inextricably linked, and the 500 lei fee paid by participants covers both.

We are extending the conference registration deadline until the end of the day on **September 20**. After this date, for technical and organizational reasons, **we will consider registration closed**.

Thank you, and we look forward to seeing you there!!
